

**Scope-On-A-Rope Workshop Registration**  
**March 18, 2009**  
**1-5pm**  
**Aquarium of the Americas**  
**New Orleans, LA**

Adrienne Lopez, SOAR Program Coordinator, is leading this hands-on workshop sponsored by Louisiana State University and School Technology Resources. Educators will get hands-on experience using the SOAR in activities designed to meet both state and national standards in the life, earth, and physical sciences as well as in other curriculum areas (such as math and language arts). This professional development opportunity will coincide with the 2009 National Science Teachers' Association Annual Conference. Educators in all grade levels and subject areas are invited to participate, and advance registration is required. The fee for this workshop is \$30, which includes a copy of the new K-5 SOAR activity book and admission to the Aquarium.
